Working together, achieving for all

‘Pupils have excellent attitudes to learning. They are very keen to do well and listen attentively to their teachers and others in their class.’ OFSTED 2016

Why Kensington?

To truly answer that question you would need to visit the school. Please do contact us to arrange a visit, we are always delighted to show people round and discuss the opportunities available.

Children first

At Kensington our children are at the heart of everything we do. In practise this means we carefully consider whether everything from marking to displays impact on learning and, where they don’t, we change them. Teachers time is freed up to focus on what really makes a difference: not paperwork or burdensome marking policies!

‘...leaders have rightly ensured that the marking process is manageable and does not over-burden teachers.’ OFSTED 2016

Committed community

Our community and our children are fully committed to their learning:

- 100% of parents would recommend the school to another parent
- 97% of parents say the school makes sure its pupils are well behaved.
- 99% of parents say their child makes good progress at the school.

Unparalleled career development

We are fully committed to helping you grow and develop. Our tailored CPD programmes provide clear pathways for your development, all supported by a dedicated coach, while our bespoke leadership programme develops the skills and knowledge you need to progress in your career.

Making a difference

At Kensington you truly are making a difference. Many of our children have recently arrived in this country, others face substantial challenges. Whatever their background, school is often their sanctuary. They are incredibly eager to learn, make astounding progress, and repay your dedication with a faultless attitude to their work.

‘The behaviour of pupils is outstanding.’ OFSTED 2016

Our incredible team took Kensington from RI to Outstanding in just two years.
We are not about to rest on our laurels. As we continue to grow, we are looking for two Assistant Head Teachers, who are ambitious for themselves and the children, to join us.

At Kensington you will be joining one of the most exciting education stories in the country. Our committed, passionate staff took our children from the bottom 20% of schools in the country for progress to the top 5% in 2 years. The challenge now is to continue building on that success. In that time our children have also been Debate Mate champions, performed at the Royal Albert Hall and for the Prince of Wales, and launched a ground breaking inter-generational project. Our CEO was TES Head Teacher of the year in 2015 and is a regular spokesperson on national television on mental health issues. We run a unique leadership development programme for all our staff in partnership with The Tapscott Learning Trust. As well as individualised CPD programmes, and opportunities to learn and develop in your chosen areas of interest.

For the right candidate there are unparalleled opportunities. We have even bigger plans for the future and this is your chance to find out whether Kensington is the right fit for you. We strongly encourage visits to the school so you can have a chat with us about the opportunities. Please call to arrange an appointment to look round and discuss the role further: 020 8470 2339.
