Sheringham Nursery School and Children's Centre

East London Early Years and Schools Partnership

Sheringham Nursery School is one of London's leading nursery schools. Based in Newham, East London, we offer 210 nursery places to children aged 2, 3 and 4 years old and were rated Outstanding by Ofsted twice in 2014 and again in 2018.

If you are passionately committed to play-based learning in the early years, love spending time outdoors, and you want to make a real difference to children's lives, you should come and work for our nursery school.

Manor Park Community Children's Centre

Sheringham leads Manor Park Community Children's Centre, which is one of Newham's eight Best Start in Life hubs. The Best Start in Life commitment for every Newham family is shown overleaf. We offer Early Help through a range of universal and targeted services, including: Stay and Plays, Baby Massage groups, Parenting Courses, Home Visiting Programmes and individualised support which we plan using Newham's Early Help Record.

Do you believe that what happens early, matters for a lifetime? Come and work for our Children's Centre and help us to give Manor Park's children the best start to life.

National Teaching School

We are a National Teaching School and we co-lead the East London Partnership with Kaizen Primary School. The partnership works with a wide range of schools and early years settings to improve the life-chances of children in East London. Through the Partnership, we can offer our staff excellent opportunities for learning and professional development.

Our staff team

We are a friendly and supportive team, committed to excellence. We ask everyone to rate us anonymously when they leave: those exit interviews tell us that every member of staff rated their experience of working here as 5/5 or 4/5.

15 hours of free early education and childcare for eligible two-year olds, and 30 hours for all eligible three and four-year olds when the government's proposals are rolled out.

Regular Stay and Play sessions every week in convenient locations across the neighbourhood.

Parenting programmes, workshops and sessions offering support and advice, which are based on evidence of what works.

Regular employment advice sessions
